

CALIFORNIA COUNTY ASSESSORS' INFORMATION TECHNOLOGY AUTHORITY

CALIFORNIA MULTIPLE AWARD SCHEDULE: REQUEST FOR OFFER #102023

PROOF OF VALUE: PROPOSITION 19 & EXCEPTIONS PORTAL

CLARIFICATION ADDENDUM No. 1

Questions received and associated answers:

1) A requested 10-day extension on the deadline to submit

The Authority has decided to extend the deadline to submit by 7 days – the deadline will now be November 6, 2023.

2) Our public sector clients require a two-week approval timeline for their name to be used as a callable reference for staff qualifications. As such, would the Authority be agreeable to having the client references called upon award?

Yes, reference may be provided after the submission deadline, but must be available prior to contracting with the Authority.

3) Would the Authority be agreeable for an update to Contractor Qualification, Mandatory Qualification of "Minimum of 5 years' experience working with project that include a minimum of 5 counties" to 3 years?

Yes, please see the updated qualifications in the revised RFO.

4) Would the Authority be agreeable for an update to Contractor Qualification, Mandatory Qualification of Minimum of 5 years' experience delivering large-scale (50,000 stakeholders) transformation project" to 3 years?

Yes, please see the updated qualifications in the revised RFO.

5) Could the Authority confirm that fixed priced proposals with work order authorization payments based on identified deliverables?

Yes, Exhibit B-1 states that "contractor to be able to provide a fixed fee." There was a typo that has been corrected in the updated RFO.

6) For 5a, is it possible to broaden the requirement to account for experience working with multi-tenant implementations that span across multiple counties?

Yes, please see the updated qualifications in the revised RFO.

7) For 5c, is it possible to broaden the requirement to allow for portals outside of the state in addition to in State?

Yes, please see the updated qualifications in the revised RFO.
